From: Christopher D. Zwiener [KDHE] <Christopher.Zwiener@ks.gov>**Sent:** Thursday, July 9, 2026 3:58 PM**To:** Raksa Ma [KDHE] <Raksa.Ma@ks.gov>; Jake Johnson [KDHE] <Jake.Johnson@ks.gov>**Subject:** FW: KEIMS - Notice of Master General Permit on Public Notice - KSR123560 v1.0, Anthony Lake Trail

Raksa and Jake: I have inactivated Melinda's account with the email "deputyclerk@anthonykansas.org" for two water sites at her request. I noticed she has an air site and two tanks sites related to this account as well. She is going to use the "mewertz@anthonykansas.org" email instead.

Christopher Zwiener

Software Project Manager (Bureau of Water KEIMS Administrator)

Great! If you can delete that deputyclerk account altogether please and then add me as mewertz with admin privileges to anything for the city of Anthony. Also send Larry that invitation with admin privileges as well.

Is there anything Larry will need as a certifier for this? We have submitted his form to set him up as certifier for anything City of Anthony related I believe.

Thanks!

Melinda Ewertz

You don't often get email from christopher.zwiener@ks.gov. [Learn why this is important](#)

*****This sender is from outside the organization!*****

Good afternoon, Melinda. I am the KEIMS admin for the Bureau of Water. I can have Larry added to any sites he needs access to. I see he has an existing account so I can just invite him using that account and email.

We are unable to reset the old account with the "deputyclerk@anthonykansas" email but I can invite you to any sites you need access to using the account with the email mewertz@athonykansas.org

Good afternoon,

I am needing to update our contact information for the City of Anthony pertaining to these storm water permits.

I need to remove Cyndra Kastens from the City of Anthony and add our new City Superintendent Larry Berry.

Also, I am unable to access my old KEIMS account under my old deputclerk@anthonykansas.org account. Is there a way to reset that?

Thank you,

Melinda Ewertz

Anthony Lake Trail

Permittee,

Notification sent to inform you of a new Master General Permit on Public Notice applies to coverage under the master permit for Stormwater Runoff from INDUSTRIAL ACTIVITY not CONSTRUCTION ACTIVITY. If your current permit expires on July 31, 2027, the notice does not apply to you. If you have a construction stormwater permit, please disregard the previous notification.
